

Perry Court Lamb Box

We rear Southdown sheep here at the farm, registered flock as the Stour Valley Southdowns. An English traditional breed, which is known for tender succulent meat.

We use our local small abattoir that ensures the highest standards of animal welfare.

You can see our flock at the farm sometimes on the footpath down to Wye. We rotate regularly as part of the farm rotation plan to ensure highly nutritious grazing all year round.

Each box contains half a lamb, butchered to your requirements, priced at £12.50/kg. To place your order please fill in and return the form below.
